

# ProTec Safety Plan

Thousands of eye injuries occur every day at work and at home. According to the American Academy of Ophthalmology, most injuries are preventable with the proper use of safety eyewear.

**vsp.**  
vision care

## What's covered?

With the ProTec Safety® Plan,<sup>1</sup> you get an affordable benefit that includes a fully covered safety frame from the ProTec Eyewear® collection, along with prescription lenses that meet current impact protection standards for maximum safety.

## Choose from a wide variety of safety frames.

Safety frames come in many different styles and materials—each frame comes with a case, and either built-in or detachable side shields. Log in to **vsp.com** and view your benefits to see the ProTec Eyewear catalog for details.

90%  
of all  
eye injuries  
can be prevented with  
protective eyewear.<sup>4</sup>
